

The 46th Kusatsu International Summer Music Academy & Festival

Prevention of Infection

Please read on.

*The staff will make every effort to maintain good physical condition and take basic infection control measures.

*We recommend cough etiquette, hand washing, hand sanitizing, and ventilation so that all students can participate safely during the period.

*Please refrain from participating in lessons or attending the concert if you have a fever or are feeling ill.

*Please use the disinfectant solution available in the lesson rooms and at the venue. Please check with your own accommodation facilities to see if they have disinfectant solution, and bring it with you if necessary.

*Please note that most of the accommodations will be in shared rooms. If you contract an infectious disease during the course, you will be asked to leave even if there are still lesson days remaining in order to ensure the safety of other participants. In such a case, the tuition fee will not be refunded.

*In the case that a person in the same room becomes ill, the room may be disinfected. Please contact the Kusatsu Summer International Music Academy Office for details.

*Please note that if you withdraw from the Academy for any reason other than illness, your tuition fee will not be refunded.

*If you become ill before the period, you may participate in the program after recuperating from your illness. In such a case, the course fee will not be refunded for the portion of the course that you do not attend. If you wish to participate later due to illness, please contact the Kusatsu Summer International Music Academy Secretariat in advance.
